

# MULTICORE WORLD 2014

## SPONSORSHIP

### Opportunities

#### AUDIENCE

This is a great opportunity for your brand to **speak directly** to senior managers, academics, technology leaders and government officers, who are clearly open and eager to investigate how new trends and opportunities can be pursued for their own organisational goals.

#### PACKAGE OPTIONS

Flexible sponsorship options available from **\$3k to \$50k** including keynote speaker slots, presentation booths, print and web media exposure and **much more**.

#### OVERVIEW

Multicore World 2014, an initiative of **Open Parallel**, is a significant high-technology event hosted within Australasia. Now in its **third consecutive year**, and presenting a unique line-up of some of the most **respected speakers** in their field from around the World. MW attracts a **senior audience of executive** and trend-setting technologists.

#### FOUR EVENTS IN ONE

**Computing for SKA** Workshop, **ASKAIC** and **CSP TIM#1** meetings all collocated with **MW2014** at Auckland's new **380 seat** conference centre.
